

TO OUR VALUED CUSTOMERS:

Due to manning constraints and the shift to OPCRIT (OPERATION CRITICAL), the single point entry at the Sablich Center will no longer be manned. Customers requiring service will call the office from a list posted on the door. Prior to gaining entry, the following 3 questions will be asked:

1. Have you been experiencing shortness of breath?
2. Have you been experiencing a persistent cough?
3. Have you had a fever within the last 24 hours?

ONLY the "South Entrance" (current entrance) may be used to gain access to the building.
